

Dear Leader,

Thank you for the articles and photos you submitted for the April 2018 issue of the MAHA *Highlights* magazine. The January issue of *Highlights* will be emailed shortly and also will be posted on the MAHA website. SED member hospitals are very busy with projects and proud of how we assist patients. Well done!

Please do not forget to email your article about **future** events at your hospital to SED's Communication Chair, Beverly Hartman, at bhartma1@sbcglobal.net by **February 10**. I purloined some of the submitted Digest articles for presentation in *Highlights* as the articles detailed past events. The SED Digest is for future events, as this gives the entire District an opportunity to attend and support your efforts.

You should have received your invitation and registration form for the **March 21 SED Spring Workshop** at the Gazebo in Warren. The invitation and registration forms are also posted on the MAHA website mahaonline.org under Upcoming Events.

We have two dynamic presentations: Detective Lieutenant Scott Rohr will present the latest forms of fraud, senior citizen scams and I.D, theft; Officer Jason Cook will present information and training on how to administer Naloxone (NARCAN). Both sessions have time set aside for a question and answer session.

After a delicious lunch, we will have discussion and show and tell. St John River District Hospital Auxiliary will be bringing some fidget blankets. Please bring some of your ideas and projects to share. We will also have a 50/50 drawing.

MAHA has an open Facebook page where you can post your information on past and future hospital activities, add pictures and share with your fellow volunteers, hospitals and friends: www.facebook.com/Michigan Association of Healthcare Advocates.

Following are a few look-ahead dates for your calendar:

SED Annual Meeting	May 15, 2018	Villa Penna
MAHA Annual Meeting	June 4-6, 2018	Crystal Mountain

I look forward to seeing you at the SED Workshop on March 21, 2018.

As always, if I can help in any way, please let me know.

VOLUNTEERS ARE INVALUABLE PARTNERS

Carol Ann Towne

SED President 2017-18
