

Dear Leader,

HAPPY NEW YEAR

May the new year bring you and your loved ones health, peace, benevolence and joy. Our journey through life is not smooth; we climb so many mountains and visit so many sorrow-filled valleys. Volunteers are blessed with the gift of compassion and are able to help others throughout their journey.

Please, please send your completed **Hours and Dollars** report to Pam Demeulenaere (pamdemeul@gmail.com) prior to **January 7, 2018**. If the Grinch misplaced your forms, please request the forms from Pam. Pam will tabulate our District information and send it to the MAHA Membership Chair.

Also, please remember to email your **Highlights articles** to me prior to **February 1**. Your **Highlights** article should focus on what has happened at your hospital the past 3-4 months. Please include photos.

Your article of 100 words or less for the **SED Digest** should be emailed to our SED Communications Chair, Bev Hartman (bhartma1@sbcglobal.net), prior to **February 10** and focus on what is coming up in the next 3-4 months. This gives members in our District an opportunity to support your events.

Further information regarding our **Spring Workshop on March 21, 2018 at the Gazebo** will be emailed soon.

Please remember to email changes in your board members to Pam or me. We want to be sure we are sending the information to the correct members. We don't want to nag the wrong person.

Again, may this new year be joyous for you and your loved ones. As always, if I can be of assistance, please contact me.

Volunteers are Invaluable Partners
