

Dear Leader,

Flowers! I see flowers. Spring! Spring is here. Thank you to the members who attended our Fall Legislative meeting. So many of you stated that the topics were timely and of interest. I also heard the food was delicious. As you may know, I had surgery on March 1. Unfortunately, I experienced many complications. I am currently in rehab, with the goal to be out of here so that I may attend the Banquet.

Do you have your registration form sent in for the Installation Banquet on **May 15** at Villa Penna? If you need a form, you can download it at the MAHAonline.org website or contact Margaret Nizza at rice7207@comcast.net. We will begin with a delicious Continental breakfast. Entertainment will be presented by "Sisters Act Out"; luncheon will be fantastic.

June 4-6 is the MAHA Annual Meeting and Installation Banquet at Crystal Mountain in Thompsonville. The registration form and complete program can be found online at MAHAonline.org. The format of this year's program enables everyone to attend all the presentations; no more choose two out of three.

September 20 is SED's Fall Legislative meeting at Greater Grace Temple in Detroit.

I hope to see everyone on May 15 to congratulate our new president. In the meantime, enjoy Spring – our season of renewal

VOLUNTEERS ARE INVALUABLE PARTNERS

Carol Ann Towne

SED President 2017-18
