

APRIL, 2018 UPD PRESIDENT'S LETTER

Dear UP District Members,

I am sitting here with my leg up recovering from knee replacement and taking advantage of this "down" time to touch base with you.

I wanted to remind everyone of our Spring District Meeting May 8 and 9 in Manistique. Each Auxiliary should have received the registration packets. They have been working very hard to provide us with a great gathering and since we only get together as a District 2 times a year I hope that each Auxiliary will make every effort to have representation at the meeting. We all want people to come to the meetings we host and so we need to attend when others host. Much like Mom and the Golden Rule!!! At present I am working on creating a slate of officers for the 2018-2019 year and still have room so if anyone is interested in serving on the board, PLEASE let me know!

We also have a first coming up. MAHA membership, in a survey, requested that we move the Annual meeting from Mackinac Island. So, we are having the Annual meeting at Crystal Mountain, June 4-6. We would like to have a great turn out here and a great deal of feedback so we can judge if we are meeting membership needs. Registration forms are on the MAHA website if you have not received one yet. Please join us and share in the education, networking, and planning for our future. We need everyone's ideas and energy.

I look forward to seeing lots of you at the meetings in the next couple of months and please contact me with any ideas or questions.

Chris Ainslie, UPD President
