

January 2015

A Word from Ray Berg—UPD President

I have just returned from the January MAHA meeting in Lansing. The important thing right now is that we collected a new set of By-Laws and they are safely tucked into eh Presidents Book. Your President Elect Debbie Northrup will inherit this information when she takes over in June. We are looking for a President-Elect to assist Debbie when she takes office. Are you interested? Let us know.

Munising is working hard to bring the Spring UPD meeting to you and will soon be sending out invitations and information about times and speakers. We look forward to seeing you soon.

Munising Memorial Hospital has been working to get the Spring UPD Meeting together for May. We hope you will begin to make your plans and attend the spring meeting and perhaps stay over and enjoy some of the sights. Right now only the snowmobilers are thinking positive thoughts about all that white stuff but by May it will be beautiful. Another kind of beautiful .I always said of Munising that it is like a little Currier and Ives picture; with always white snow. No dirty snow in Munising. Most likely there are other places where there is always white snow.

Highlights information is due now. Please send to me in an article or list formation style. I need to have it by January 26, please. I had agreed to formulate from monthly information, however, it has proved difficult to do that. Please send to me so that I will be able to put into the Highlights which comes out February 1, 2015
