

February 2016

Dear WCD Presidents and Presidents-Elect,

You know the old saying the older you get the faster time flies is certainly true. It seems like only yesterday we were celebrating the holidays and now we are a third of the way through February. Hope you have been enjoying our somewhat mild winter... so far.

Registration Forms for **Healthcare Advocacy Day** (Tuesday April 19<sup>th</sup>) have been mailed and you should have received one by now. Feel free to copy the form for additional registrations. I encourage you attend this worthwhile day. There is a lot going on in the healthcare field that we need to be aware of. MHA does an excellent job of presenting this information at this event. Please note that the registration deadline is **March 31**. All registrations must be received by that date. Registrations received after that date will not be accepted.

Plans are under way for the WCD Spring Conference and Installation. Sparrow Carson Hospital, Carson City will be our hosts. **Reserve Thursday May 5**. We are excited about this enjoyable and informative event.

Blessings,

Barb Tenpas

WCD President
