

December 12, 2015

Dear Presidents and Presidents-Elect

It looks as though Winter is not coming this year anyway.. We will probably have a blizzard for New Years.

I hope you had a wonderful Thanksgiving and are looking forward to a great Christmas. It is such a busy time for everyone.

The Dollar and Hour reports are due shortly. It is important that your hospitals receive the credit for all that your volunteers do.

Please remember at our spring meeting we have Officer Installation. We have not had anyone step forward to fill the positions that will be vacant. With the exception of Membership Chair.

The present Board has served two years and will be stepping down. If no one steps up. What will happen to NCD? Something to think about.

Wishing you all a Merry Christmas and a Healthy New Year.

**Vivian Mettler
President NCD**
