

March 9, 2015

Dear Presidents and Presidents-Elect,

They say that spring is just around the corner. Has anyone found that corner? If so please send directions.

I am sorry I have not gotten a letter out before now. With some sickness and a sick computer I have been unable to get much done.

It does seem that the calendar is getting away from us. It won't be long until the spring meeting comes along. I know that you are all planning to attend. Cheboygan has a great time planned for May 28<sup>th</sup> at Audie's in Mackinaw City. This is the first time they have planned a meeting so I hope we give them a good turnout.

The MAHA Annual meeting on Mackinac Island will be June 9<sup>th</sup>, 10<sup>th</sup> & 11<sup>th</sup>. This is a wonderful conference with great speakers and workshops. If you have never attended, this is the year to make plans to go.

North Central District is to be the host this year at the Fall Meeting scheduled for Crystal Mountain. We will need a lot of help. We should have a great time greeting and mingling with all of the other Districts. Please plan to attend. We need all the support we can get. Talk to your members and encourage them to join us.

Paul Oliver Memorial Hospital will be the host of the NCD fall meeting. They are planning for and expecting a great response from the district. So let's not let them down.

See you in May,

Vivian Mettler,  
NCD President
