

July 16, 2015

Dear Presidents and Presidents –Elect,

The summer is going awfully fast isn't it? It has been a busy time for everyone I am sure. So much to do and so little time.

The Annual meeting on Mackinac Island this year was again a wonderful experience. The speakers were outstanding and the workshops very informative. If you have never attended this conference or haven't been there in the last couple of years I would like you to start planning now for next year. This is an opportunity to meet new friends, renew old friendships and learn what MAHA is all about. The date will be June 7-9, 2016. Join us at the Grand on Mackinac Island you won't regret it.

I hope you have your plans made to attend our fall NCD meeting on September 22nd. It will be held at Paul Oliver Memorial Hospital in Frankfort. You will be receiving information on that meeting a little later. I have been in touch with them and they have a great day planned. We have not been to Frankfort in sometime so let's all make an effort to attend.

The MAHA fall conference is at Crystal Mountain again this year. The dates are October 12-14. NCD is to be the host for this meeting. There are several duties we are responsible for. The more we have attending the easier and the more fun we will have. It would be wonderful to have at least 20 NCD members to fill the need. Please start planning now.

It is important we keep up to date with all the changes that are going on in the Medical field that effect our organizations. These meeting furnish important information to take back to your local hospital groups.

See you in September

Vivian Mettler
NCD Pressident
